恋がはじまる。
LOVE HAS BEGUN.

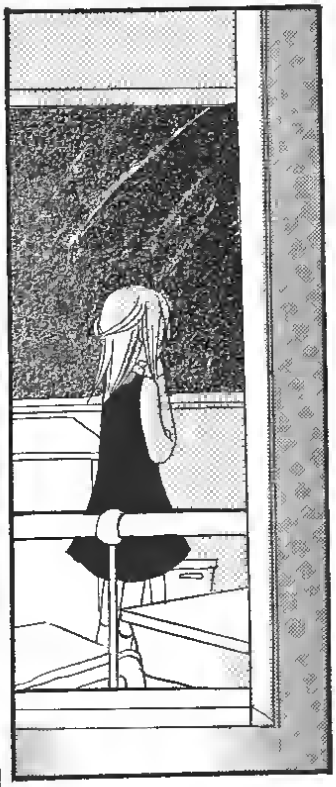
What should I do?
I hadn't thought past this point.
2-1
Because...
Confessing had always been the goal...

Or so I'd thought 15 minutes ago.
I've always loved watching Morino-kun.
But I'd gotten sick of just watching him...
And because I didn't know what's the best thing to do, I finally went up to him...
I like you! Please go out with me!
Uh, sure.
*too easy!
おっちょ

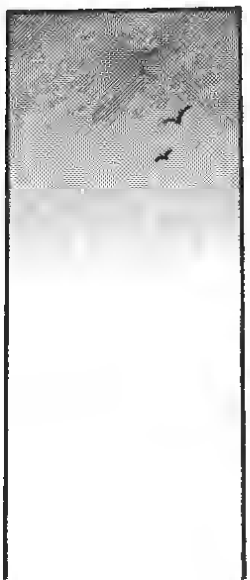
Ah... sorry. I just thought I'd be rejected for sure.
Aida-san?
Eh?
.....
Ah, me either.
I actually don't know what one does when you "go out" with someone.
.....
A-anyway, how about we go back to the class-room?
Ah... yeah.
Why is it...

...That I feel so nervous even though I know the answer?
Even though we're really going out now,
I feel so embarrassed that I can't look him in the eye.

*silence
U-h
sliding door
ah
We got left behind.
Yeah, it's ok.
Ah! I'm so sorry! Will you make it to your club?
Nn?
Uh, ...um!



it's ok to be like this, right?



Morning!

Morning Maki!
You're going out with Morino-kun, right? I already heard!!
☆
Congrats!
Congrats!
eh
How do you know? I haven't told anyone yet.
Eh?
We thought you probably wouldn't know either, so we wrote this out for you. Hai~
♡
SNICKER
Ah, straight after you confessed, Morino came up to me, with "what does it mean to 'go out'?"
We gave him the same thing, so all should go perfectly!
♡
Well, Morino's just an exercise freak, so good luck!
☆
And Junpei ended up talking to me.
♡
Anyway, it's just stuff that everyone does when they're dating.
♡
Thanks...
Ah... ok.

.....
or so I thought, but...
♥Hold hands
♥Go home together
♥At n
Ah... if we're to "go home together", then that should be easy...
.....
we're not really "going home together", just kind of walking in the same direction.
.....
Should we pass them?
Somehow, I feel really embarrassed too...

You gotta put in the effort to at least hold hands when going home!
*Bump
I...
Keita.
MUDGE
Eh!
S-sorr-
BUMP
Wah!
He can't hear my heart beating, right?
It's okay...

It's the first time I've walked so close to a guy...
Why
is my throat so dry that it feels like it's going to close up?
bump
Was that an accident?
No, it can't be. That was an attempt to-? Th?
Is this for real!?
Stupid heart, slow down!

Wah!
Hiyaa!
...ah.
S-sorry.
N-no problem.
What do I do?
We didn't even properly hold hands.
Am I going to be able to date...
like everyone else?
Oh... well, see you tomorrow.
Well, I'm here, so...

After that, we went home together every day, but...
we didn't hold hands, and we didn't really talk.
For the twenty minutes we were together
we just walked silently, every day.

Even though Morino laughed a lot when he was in the classroom or doing club activities,
he had such a troubled expression whenever he was with me.
Hey, that looks like a lot of fun.
I want him to laugh with me,
Yeah ...
heartbeat
What? Junpei- Ah, Mayu too?
SHOCK

After our club activities there's a meeting, so we're going to be late. What do you want to do?
Hnnn. .. is that so?
I don't have anything to do, so how bout I go home with you, Mayu?
Sure.
Kieta! Junpei! We're gonna be late, hurry it up!
Roger~!
Bye.
I want him to talk to me like he talks to everyone else.
Yeah. ..
Maybe it's because I'm a girl.

Things with you and Morino going okay? You've already passed him a towel?
Can I have a look first?
Sure. We've been doing this a long time, you and I. Looking down from here.
Um.. yeah.
Why is it more enjoyable watching him from here than doing "going out" things?
Bringing them towels feels like the duty of the girlfriend, doesn't it?
Yeah.
He's coolest when he's running.
Maki-chan, let's go home.
Okie dokie.

What did I confess for?
Keee eeeit a!
Yeeah? What's up?
I've come to forget the reason...
Shaddup !!!
Don't be late for tomorrow's morning practice!
Shall we go home?
Ah, sorry.
sharp pain
Morino -kun...
His expression changed again.

I don't know.
.....
Is being with me... fun?
-Thought-so...
That- that's right. It's way more fun being with your friends, I think.
When you're doing your club activities, you laugh...
Same goes for you.
Morino-kun's... angry?
Doesn't seem like you're enjoying this at all, right?
Sometimes I don't think you're even with me, I don't get it!
.....

I don't really understand it myself.
When I'm with you, I get so nervous, that I-
Kind of...
Then let's stop.
If it bothers you so much, it seems impossible, let's break up.
See ya.
Bye-bye.
Even though I like him so much.
Why couldn't I express what I'm feeling?
sniff

When it was just unrequited love, all I wanted was for him to like me.
Uhh...
sniff
But once I found out it was mutual, all these worries came into play.
If it ends like this, it would've been better had I never confessed.
RUSTLE
I was always so anxious.
?
That's not right...
Ah-
I didn't confess so that this stuff could happen.
Hold hands
Go home together
At night, call each other
Have dates on holidays

I wanted to be closer.
I just wanted to know more about him.
I was always watching him.
I was so happy when our eyes met.

Even if only that,
I wanted him to know about me, too.
tear drops
why did I forget?

I'll tell him,
once more.
Whistle
Wah
Morino-kun's voice.
...any-way...

Gotta say it soon!!
Gotta say it.
Really!?
Really.
My feelings for Morino-kun...
Ah-
You're so strange, Keita! That's odd!

Speaking of which, lately you've been happier. Something happen?
Nah, aren't you the one doing great?
Speaking ... with a girl?
Is that sar-casm?
You totally fail.
No, no.
He's also like that around girls.
Why is he having so much fun around someone who's not male?
He didn't show me that expression once when we were together.
I see...
He just doesn't care enough to smile.

Aida-sa....?
toss
Bu-!
Ou-ch.
Eh!? What th-
Why're you crying?

I hate you showing that expression to others.
Why,
when I love you so much?
I wanted to have the power to change how you look at other people.
Is it so hard for you to look at only me!?
I get so affected by you that I can't even speak, and I feel like dying.
Is that so selfish?
Because I love you so much.

Do you hate me that much?
Is it already over?
What's this all about? God-
A step 114

* pR note: as in tears dropping

I think it's my turn to say it...
I'm happy that you've always been watching me.
Please.. . go out with me.

Um... you know...
Nn?
and I think we took a bit of a detour.
I don't know how other people would've done it,
But...
Ok.
See ya~
It's kinda dark... I should take you home.

We're now walking as boyfriend and girlfriend
Confessing wasn't the goal.
We're only just starting our own love story!
